Re: Data Collection Report for Docket No. MT2012-1

In accordance with Commission Order No. 1035, issued December 9, 2011 in Docket No. MT2012-1, the Postal Service hereby files its data collection report for Fiscal Year 2013, Quarter 4 for the market test for First-Class Tracer.

The table (filed in conjunction with this letter), entitled, "First-Class Tracer DCR FY13, Q4," reports on the data required by the Commission in Order No. 1035. The Postal Service did not incur any attributable, administrative or ancillary costs during this quarter.

The market test will continue to remain on hold until the Postal Service completes the necessary system updates to enhance the scripting for the market test.

Sincerely,
